5. Read and recorded Government Proceedings No. 7445-6—L B. 52-10-4, dated the 13th March 1911, sanctioning the estimates amounting to Rs. 1,360 and Rs. 1,191, for constructing an arrack shop and a masonry box drain, respectively, at Robertsonpet, as revised by the Board.

6. Read docket No 7385—L. B. 226-10-4, dated the 7th March 1911, from the Secretary to the Government of Mysore, General and Revenue Departments, requesting the submission of the resolution of the Board for the purchase of 100 additional rat traps for the use in the Kolar Gold Fields area.

Resolved that the Board approve of the purchase.

7. Read and recorded Government Proceedings No. 7161-6—L. B. 375-08-10, dated the 1st March 1911, directing that the local allowances at the rates now drawn by the Sanitary Board establishment and the Police at the Kolar Gold Fields, may be continued to them in consideration of the arduous nature of their duties in addition to the costliness of living.

8. This being the last occasion on which Dr. T. J. O'Donnell will be present at our Meeting, the Board wish to place on record their sense of appreciation of the services rendered to the Kolar Gold Fields by him for the past quarter of a century, during which period he has been at the head of the Medical Department.

He has invariably evinced a keen interest, with a high minded devotion to duty, in the sacred cause of humanity and its welfare. On this he has bestowed the best part of his life, under often trying circumstances, incidental to the growth of such a busy centre of activity as the Kolar Gold Fields.

A less resolute and sanguine mind could not have coped with the difficult situations that at times have arisen, and Dr. O'Donnell's timely and candid advice have always helped the Board to strive and maintain a high standard of efficiency.

His firm and sympathetic attitude, especially during outbreaks of plague, cholera and small-pox, has been most valuable to the executive and helpful to them in times of trouble and embarrassment.

In bidding Dr. O'Donnell farewell, the Board resolve to express their most cordial thanks for the invaluable services rendered by him and to wish him a happy life in his well earned retirement.
